The second study room has now been set up as a second study room. This will be available to students who are aiming for an ATAR and are in Year 12. The students will have to have demonstrated a strong commitment to their studies to be eligible to study in this room. They will also have to be doing an HSC with an ATAR attached. Each study room will accommodate about 15 students. Jenny Stirling can speak more on this if needed.

Changes to our timetable will be small but there will be some as we have to create a TAS class in Year 7 and there are some messy splits of two teachers on a class that we will try to eliminate. New timetable will most likely start in week 9.
