In October 2013 Madi’s Lunch Spot was successful in tendering for the lease of the Bathurst High Campus Canteen.

Madi’s Lunch Spot is owned and operated by Mandy Irwin and Darlene Macri, who are parents of current students at the school.

The Canteen follows the Healthy Kids Association guidelines. Under these guidelines the canteen can have 2 “Red Days” per term which allows for the sale of items that cannot be sold otherwise, chocolate, lollies etc... “Red days” are advertised in the daily notices and at the canteen.

The current menu is available on this website.

Any enquires can be made through the school office.
