The February 2014 Minutes were accepted as a true and accurate record.

Moved: Wendy Inwood  Seconded: Yolanda Phillips  Carried unanimously

Business Arising:

- Student Diary on Millennium This is an ongoing project and currently parents do not have access.
  KReid, (teacher) is developing the project. She will be providing professional development for teachers to increase utilisation and to promote the cultural change necessary to maximise its potential.
- School App. Usage is very high for absentee notes but SMS is being utilised more for messages.
- Bring Your Own Device (BYOD). Information on BYOD has recently been in newsletter and on the website but it is still in development. In a College lead initiative a Head Teacher Consultant will be employed for 18 months (funded by 7 schools) to facilitate the programme, aiming to use what is available & maximise usability. Expressions of interest will be called for in term 2 and a person employed in term 3.
- Canteen. Menu has been put up on the website and an overview can be forwarded to Judy German to also be posted.
- Federal Govt Autonomous School funding. Fed Minister Pyne indicated consideration of the Independent Public School model as exists in WA may be useful. These schools become stand alone for all things including covering exceptional costs eg if the roof was blown off. The benefits have been shown to be
 neutral but most show no improvement in student outcomes. State Minister has said no NSW schools need to be involved as there is already Local Schools Local Decisions in operation.

Presidents Report:
- Participated in the Selection Committee for HSIE Head Teacher.

Treasurers Report:
- As presented by Wendy Inwood:

The balance of our working account is $3,897 and the balance of our interest bearing deposit is $10,426.

The profit for chocolates at this point is $415 but I’m wary in reporting this because it depends on when deposits are made and when invoicees come in so we get a more accurate amount as the year gets on.

Principals Report:

1. Leaving the school – Jim Browning who is a long time teacher coming to Bathurst High in early 1980s and leaving to be HT HSIE at Kelso before coming back here as Head Teacher, Cassie Hanrahan – PDIPE teacher left on secondment as Road Safety Officer during 2011. Came to Bathurst High in 1982 and was here continually since then. Brett Jeffers who came in 2012 and has become Head Teacher at Lithgow High

Need a parent for the panel for his replacement.

2. Illisa Newell is our new HT HSIE. She is currently the relieving HT at Kelso High. Thanks to Sharon Mendes for her excellent work as relieving HT.

3. Youth Worker has been delayed due to illness. We had a replacement who became very sick. Currently going through selection process again.

4. I would like to put forward to P&C that we change the spending priorities for the money from the canteen and the uniform shop. See financial report. I would like to keep the money in reserve for emerging needs for the gym and Performing Arts centre.

5. Concert Band – we would like to change times to the morning. Start at 8.30 am probably on Tuesday and go through to the end of roll call. At the moment some of the students can’t get there because they must attend TAFE. There are also problems with the number of times students are having to bring instruments. We are trying so they can go from 8.30 – 9.30. Some students will miss 15 minutes of period 1 but they are the sort of students who can and will catch it up. Beatrice Merriman is also missing out on the learning support team.

6. We are ready to start SMS of senior classes. Be prepared for errors.

7. Plan for expenditure of RAM money – see attached sheet.

8. I am on leave for first 5 weeks of term 2. Gaye is relieving as Principal.
9. National Partnership report – individual tutoring with Year 9 targeted students is working well with some outstanding growth in the area of reading for the students. Teachers are engaging with instructional rounds. Trying to build sustainability in the process.

10. HSC Exams. Work has been taken away for the two exams in the hall. Hotline to me if there is noise.
